This has been a fundraising event supported by the Parents & Friends Association of Arndell Anglican College. All funds raised will go towards the purchasing of resources and equipment as well as the enhancement of the grounds for both the Junior & Senior schools.

All advertised businesses share a strong link with Arndell Anglican College. By choosing to use one of these businesses, you will be supporting your fellow Arndell families, their businesses and the Arndell school community.

We thank all the businesses listed for their support in this First Issue of the Arndell Anglican College Business Directory.

Alpaca are without doubt the best small acreage stock for ease of handling and care, they are environmentally friendly, quiet and have the best eyelashes in the animal world, throw in the fact that they are the cutest lawnmower that doesn’t require you spending half the weekend on the ride on mower and you have the perfect package!

Follyfoot Alpacas, located in Oakville, was established in 2002, our goal is to breed quality coloured Alpaca, specialising in Black and Grey.

Competing very successfully in all major shows, including Canberra, Sydney Royal s and National Shows along with many more regional competitions, we consistently breed Champion Alpaca.

We currently have 30 females and will be standing 4 Stud Males for the 2013 year.

Selected Progeny from this stud stock is available for sale.

We offer a full range of services, whether you already own Alpaca and need assistance in their care to providing animals from pet quality to the best in coloured show stock:

Prices range from $330 for pets, pregnant females start at $1000, and limited show quality stock is also available for the established breeder or new comer to this wonderful industry.

This foal will be a full brother or sister to our Poppy, Allessandra Park Padame. She is the perfect combination of Thoroughbred finesse and Friesian power and grace.

The Wizzard & Aspen Way Monet
Monet brings to the mix some of the finest Welsh and British bloodlines, to compliment the majestic, baroque style of ‘The Wizzard’. This foal is sure to excel in the show or dressage arena. He/she will most likely mature large Galloway.

2015 Foals
Allessandra Park Padame
Watch this space! We are retaining Poppy for our breeding programme. Until then she will have time to grow and begin her saddle career.

Financial advisers are often the first port of call for people seeking advice on investing a lump sum of money or when planning their retirement. But that is only one part of the equation. A professional financial adviser has knowledge and skills to help you achieve your goals and objectives by tailoring strategies to specifically address your needs.

Financial advice can help you:
- get organised
- get back in control
- free up your time to do the things you love
- obtain financial independence

We’ve been providing financial peace of mind to families for over 20 years. Talk to us today to learn how you can take control of your family’s future.

The Parents & Friends Association is an integral part of the Arndell Anglican College Community. The P&F Association run many events throughout the school year to help provide the best possible education & environment for our children. The fundraising events go towards the purchasing of a range of resources for both the Senior & Junior schools.

The role of the P&F Association is to bring the community together - parents, staff and students - To Plan, Work & Play together. General Meetings are held each term to enable a direct line of communication between ‘management’ and the parent body, encouraging an open exchange of information & ideas.

All parents & staff are Welcome!
At Arndell, we have built a community where every child matters.
