As we move towards the end of the term, I would like to pass on my congratulations to the school community, for what has been a very positive start to the year here at Arndell Anglican College. Over the course of the past ten or so weeks a great deal has been achieved by our students and staff and this has set us up well for the remainder of the year. As a college of over 1100 students, Arndell Anglican College has become a busy place indeed, but what I am most pleased about is that as we have developed and grown we have not lost sight of what is at the core of what we do – that is seeking to meet the needs of the individual child so that they might flourish and grow into the people God has made them to be.

As I walk around the campus, which is a few times each day, I continue to be impressed with the increased levels of student engagement that is apparent. Over the course of this term we have seen our staff start to implement aspects of our developing teaching and learning framework, namely; explicit direct instruction, working memory, growth mindset and visible thinking. Already we are seeing real improvements in student outcomes and as our student’s confidence continue to grow so will the outcomes. I am really looking forward to monitoring this framework as it becomes more fully developed in the terms ahead.

Over the course of the final two weeks of term we will be hosting our annual Cross Country Carnivals. I wish students all the best as they seek to improve on the results that they may have achieved in previous years. These carnivals will be a nice way to end what has been a very busy term.

I wish everyone in the community a restful two week break and look forward to seeing refreshed students for what will be another challenging term of learning.

Our Year 7 Biblical Studies excursion was a fantastic event which our students enjoyed.

Students saw the film *Risen*, the story about the death, resurrection and actions of Jesus.
Stage 1 Easter Service & Hat Parade
Year 7 Vaccination Program

Please note our next round of vaccinations will occur on

**Monday the 4th of April 2016**

For our Year 7 Students.

If you require a form for the NSW School Vaccination Program, please request one from our Administration Staff. It is not too late to start this important vaccination program.

Run4Bibles

Acts 19:20 - In this way the word of the Lord spread widely and grew in power

As a community at Arndell we are blessed with many opportunities to hear from God’s word, whether it is in class, at chapel, or during lunch time groups. Run4Bibles allows us the opportunity to take the message of Christ and be intentional about it. Therefore, we want to encourage all students to get sponsored to run in the College Cross Country carnivals.

All the money raised will provide Bibles and study resources for students in South African Public Schools. If you are interested in raising money which will result in people meeting Jesus you can print out this form

All money raised is to be returned to administration on Monday 4th April (Week 11). Alternatively, you can place donations in the buckets at the Mears Library, administration office and canteen. It takes just $7 to provide a complete pack, a small investment that has the ability to bear the greatest return – a life transformed by the power of the Gospel.

For more information go to [https://bl.org.au/events/run4bibles/](https://bl.org.au/events/run4bibles/) or talk to Miss Lauren Kenny (Acting Head of Tebbutt / English Teacher).

“Running in the cross country and fundraising for Run4Bibles is an easy way to raise money and is a great way to make an impact in terms of spreading the Gospel overseas”. – Emily Ayres Year 11
Our Year 10 History Elective students recently interviewed Japanese exchange students as part of their assessment task. All of our students worked very hard at communicating their ideas, and it was a pleasure to have the Japanese visitors share their knowledge with us.

For our Maths lesson last week, we welcomed the Japanese students. We are all excited, especially Ms. Dunn, who made not only sufficient but also far-reaching preparation by writing down the content on the board with both English and Japanese, two of the languages she mastered, as well as Chinese.

Daphne Webb and I took a photo with our Japanese friend Shino and her teacher at the end of the class, as a memory of this fascinating Japanese-Chinese-Aussie Maths class. Coco Chen, Year 10
Junior School Mufti Day - Thursday 7th April

At the Arndell Autumn Fair and Open Day (after the school holidays) there will be a Games Stall and a Chocolate Wheel. We need your assistance so we can have lots of prizes on the day.

*Instead of a gold coin we are asking each child who wears Mufti to bring in a new item from their category listed below.*

We have listed some suggestions and most items can be easily found in your supermarket or discount variety store. These items will be made into gift baskets for the Chocolate Wheel or prizes for our Games Stall.
