STUDENT SPORTING ACHIEVEMENT

U16’s National Football: I was selected to play for the u16 Australian Joeys squad in the 2015 AFF Championship in Phnom Penh in Cambodia. We arrived there on the 25th of July and stayed at the Diamond Hotel in the city of Cambodia. We stayed in Cambodia to train and play for just over two weeks. The tournament began on the 27th July and our first game was against Cambodia in the Olympic Stadium; there we had the biggest crowd of the tournament with over 20,000 people watching. We won that game 4-0. Every second day we had a game in between we trained plus do a recovery session (pool recovery). Our next 4 games were against

- Myanmar score 4-0 win
- Singapore score 8-2 win
-Philippines score 8-2 win
-Semi-finals: Thailand score 3-2 lost
-3rd vs 4th place: Laos score 10-2 win

Over all we got 3rd at AFF Championship. It was a great experience and to see how professional it all was. It was the best experience so far of my career. Nick Suman (Year 9 student)
**Netball Intermediate Red Team:** The Intermediate red team is a passionate, hardworking team. They always give 100% in every match and never give up. They listen to advice and always work together. The team were graded into division A of the HZSA competition and have managed to win a number of games in this competition which is very impressive. With 10 players it has been challenging to rotate play fairly however the girls have shown excellent sportsmanship and eagerly score and cheer on the team when it is there time off the court. The girls would like to say thank you to Chloe Patterson for giving up her time to come and umpire all of their games throughout the season.

The defensive team has been working hard throughout the season to stop goal and get intercepts. This normally includes Kaitlyn, Sophie, Jordan, Emily and Chloe. Alison and Maddison have sunk a number of goals throughout the season, despite the fact that Alison plays defence on the weekend. Taylor, Georgia, Finlay and Sophie have been great at bringing the ball down the court in the centre third. No matter where they are placed on the court they always try there hardest and vast improvement has been seen throughout the season. The team has grown to be a very strong little team. The girls show great commitment and are looking forward to playing together again next year. The team was privileged to participate in the SASC netball gala day were there won the majority of their games against some very tough competition.

JUNIOR PE | SPORT TEACHER

Year 4 last week participated in the year 4 HZSA gala day. The students had a great time enjoying four different sports and did a wonderful job at representing our school.

HICES Athletics Championships notes have now been distributed. These notes need to be returned ASAP to allow for final bus numbers to be tallied.

It is fantastic to see all students in Kindergarten-year 6 participating in our weekly AFL sport program. All students are giving this program their best effort and it is encouraging to see all of our students getting involved.
