A Message from the Headmaster

I would like to congratulate the College community for a wonderful third term. It was certainly a very productive one, I continue to be impressed with the progress our community is making in a variety of areas.

Term 3 saw students involved in classroom learning, book parades, Grandparents day, athletics carnivals, winter sport success, creative and performing arts productions, excursions and in the high school - camp week. All of these learning experiences help us to offer a balanced and broad educational experience and this in turn helps us to create well rounded individuals who have the capacity to engage in the world that they will need to live in.

We also saw the celebration of our current Year 12 students, their 13 years of education. Overall our Year 12 cohort has done a wonderful job in leading students in our community and many of them are tracking well in their HSC Examinations. Congratulations also to one of our drama groups who were selected for nomination in the HSC OnStage program. This is a wonderful achievement and the boys involved should be very proud of their efforts.

In terms of staff appointments, I am pleased to announce that Mr Leighton Corr has been appointed as our Head of Senior School for 2017 and beyond. Leighton is a gifted educational leader and we look forward to what he will bring to this position and how he will guide the Senior School forward. In terms of Heads of House for 2017, Mrs Jen Daly will return to lead Tebbutt House, Mr Matthew Oakes has been appointed as Acting Head of Macquarie House and Miss Lauren Kenny has been appointed as Head of Johnson House. I have no doubt that this team of pastoral leaders will provide excellent care for our students.

I would like to wish the College community all the best for Term 4, as I will be on study leave I will not engage with the community until speech night, so I hope Term 4 travels smoothly for all involved. I have no doubt that College is in safe hands with Mr Webb as the Acting Headmaster.
From the Acting Headmaster

Mr James Webb

Welcome one and all to Term 4 – I can’t believe I am saying that as it only seems like yesterday we were welcoming in the start of the year.

Term 4 is always short and frantic however there are areas that must be addressed to ensure consistency and continuity. I have the pleasure of looking after Arndell Anglican College whilst the Headmaster is on sabbatical – completing his PhD. Therefore matters that need to be raised please feel free to continue to do that through me.

Our second Fiji Mission Trip took place during the holidays. Led by Mr Leighton Corr and Miss Lauren Kenny our students once again continued their work with Holy Trinity Anglican Church and Holy Trinity Primary School. It was wonderful to see so many young people engaged with children who have very little. I commend all staff and students on a stunning time. Check out our Facebook Page and this issue of the Advocate to see what we did.

The Higher School Certificate exams commenced last Thursday and I ask you to keep the students in your prayers.

This term Prep, Kindergarten and Year 7 Orientation days are happening – such exciting times for students of all ages. Please be mindful of parking issues first thing in the morning due to the large number of visitors.

End of year exams and reports are upmost in the minds of our teachers this term so if we seem a little distracted please have a kind word – we need them too.

A few reminders to kick us off.

- The Parents and Friends AGM is on this term. Please see notification in this issue of the Advocate.
- Presentation day for the Senior School will commence at 1.00 pm on Thursday 8th December. This will be a trial in 2016 to see if we can manage daytime numbers.

Have a great term.

2017 Student Leadership Team

Mr James Webb

Congratulations to the following 2017 Student Leadership team on their nominations and appointments. We are pleased to advise the following students who will be formally inducted at our Leader Induction Service on Monday the 24th of October, in the College Gymnasium.

Agriculture @ Arndell
Mrs Nicole Evans

Over the Weekend of the 27th and 28th of August Arndell attended the Penrith Show participating in many events with pleasing results.

Our Year 11 Agriculture class designed and created a display about bees called "AAC save the bees". It was a colourful and interactive display to educate the public about what is happening to our bees. We received a 4th place out of 17 schools for our efforts.

Students who participated in numerous competitions did very well. These results include:

- Laura Smith 2nd as Novice cattle parader
- Lucy Bittendorfer 3rd as Novice cattle parader
- Laura Smith Reserve Champion sheep parader
- Faith Evans, Tyson Siecker and Hannah Davis as Reserve Champion Sheep Judging Team

Other results on the day include:

- 2nd place for our Beef Steer "Elton"
- 1st place for our 6 plants in pots grown on the farm
- 1st place for two jars of pickled eggs (thanks to Mrs Paul and Mrs Solomou)
- 2nd place for a carton of eggs from the farm

Chloe Patterson, Johanna Ommundson, Laura Smith and Faith Evans placed 8th (out of 16) in the Rural Olympics. This involved completing 5 activities correctly and within time limits. These included building a 3 strand conventional wire fence, building a 2 strand electric fence, stacking hay bales on a trailer and tying them down with ropes, rounding up sheep and drenching and mouthing them, and finally calculating the amount of chemical to make a spray to then safely spray a section of ground.

Overall it was a great weekend. Well done to all the students involved.
Chaplaincy Chat
Rev Jeremy Clark

This week for the Chaplaincy Chat we are doing a final interview with our Senior School Chapel Prefect, Tim Sandell.

When did you start at Arndell?
I started at Arndell Anglican Collage in Kindergarten, I believe the year was 2003. I can still remember mum walking me up through the small walkway between what was then the computer room (now they all have iPads) and my classroom.

Who’s in your family?
My family consists of my Mum, Mrs Anne Sandell, my Dad, Mr Ken Sandell and my two wonderful big sisters, Kirsten Warner (married to Robert Warner) and Bec Sandell.

Why did you accept the position of Chapel Prefect?
I think I always wanted to have a leadership role in Year 12, but I hadn’t really considered applying for the role of chapel prefect. The element that made me accept the role of chapel prefect was that, unlike a lot of the other leadership roles, being chapel prefect allows me to play hyper active role within the school life. Becoming chapel prefect enabled me to actively share my faith in Jesus and show the students what he has done for us.

What’s been a highlight of your time at the College?
I always used to hear people saying that Year 12 is the best year of school and for a long time I doubted that. However, now that I am finishing up for the year I can safely say this is 100 percent true. I think this is because during Year 12 all of the students band together and build some really awesome relationships with each other. I also have a second highlight, the first Fiji mission trip which I went on last year. It was truly amazing experience and a great chance to spread the gospel in the wider world.

If you could leave one final message with the Arndell community, what would it be?
My message is pretty simple and it is the same message I have been saying all year to the students during chapel; seriously consider Jesus. I believe that God created this world so that we could see his awesome glorious power, however we decide, and continue to decide, to rebel against his perfect plan for us. This is why we see a world in which injustice occurs, suffering endures and people sometimes are purely evil. As a result of sin we are separated from God, but Jesus, through his death, offers us a way to been forgiven by God. Paul says this in Romans 6:23 as he says that “Wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord.” His sacrifice on the cross has paid the price that I should have paid, in death, for my sin. For me Jesus death and resurrection means eternal life and forgiveness.

I think it is so important to establish that I don’t just believe this because I was brought up in a Christian family, although that did have a large influence on me. I believe this because I believe Christianity is geared into history. It isn’t a fairy tale, if it was I wouldn’t believe it, but rather it’s a historical fact. Jesus actually went to the cross, actually died and actually rose again to save us from the consequence of sin. It is only through Jesus that the world becomes clear and I am enabled to make sense of issue such as suffering or death (both of which I’ve personally faced).

All of this said, my message to both the students and parents reading this is seriously consider Jesus. He isn’t science fiction, but rather historical fact. Finally, as C.S Lewis put it, this “You must make your choice. Either this man (Jesus) was, and is, the Son of God, or else a madman or something worse. You can shut him up for a fool, you can spit at him and kill him as a demon or you can fall at his feet and call him Lord and God, but let us not come with any patronizing nonsense about his being a great human teacher. He has not left that open to us. He did not intend too.” Friends, Jesus needs to be taken very seriously if indeed his claims are true, and I hope that we all consider what Jesus death means for us, what Jesus death means for you.
Creative and Performing Arts
Mr Chris Wilson

Term 3 has been a very busy time for all CAPA students and staff. Throughout the term HSC Drama, Music and Visual Arts all completed large percentages of their HSC course.

The Drama examinations took place in early August with Group Performances and Individual Projects being assessed by BOSTES. The drama students worked tirelessly in the lead up to presenting these major works.

I am very happy to announce that one of our Group performances was nominated for OnStage. OnStage is a showcase of exemplary Drama performances from the 2016 HSC cohort. The students nominated were Tom Smithers, Lachlan Werner, Steven Selff and Fletcher Thew for their group performance Clownfall. This is the first nomination in the history of the College and congratulations go to the students and to Mrs Michelle Wilson for all their hard work.

The Visual Arts Body of Work’s were also due at the end of August. The Body of Work is a huge undertaking and the time and commitment that the visual arts students put into their work is to be commended.

The HSC Music examinations were held on the 5th of September and the cohort were well prepared for the performance exams. I was extremely pleased with the dedication shown by all students with numerous rehearsals in the lead up to the examination. My thanks goes to our accompanists for both the HSC music night and the HSC examinations. The accompanists included some of Australia’s best musicians including John Adams (Drums), Tony Merrick (Bass), Michael Rohanek (Keys) and Paul Berton (Guitar). The students were very appreciative of the knowledge these musicians shared with the entire class.

Term 3 also saw our involvement in the HICES music festival. The 2016 HICES Music festival was held from Sunday 14th – Wednesday the 17th of August. The festival, for students in Years 7 – 12, brought together over 300 music students from HICES schools across NSW. The festival involved a camp, held at The Tops Conference Centre, Stanwell Tops, where students undertook intense rehearsals in preparation for the final concert held at the Sydney Town Hall on the Wednesday evening.

Arndell had 2 students selected for the festival. Attila Toth – Year 7 and Kyle Hollis-Watts – Year 9.

“Over four days, Attila Toth and I were able to experience the HICES music festival. The four days consisted of several long rehearsals for each ensemble and a large concert on the fourth day at Sydney Town Hall. There were also activities scattered through the days for each ensemble. My ensemble, the concert band, did the giant rope swing while others did go-karting, and everyone watching a movie in the city. It was a great way to make new friends who were also passionate about music, meet old friends, and learn and understand music more efficiently with the guidance of our conductors and Sir Richard Gill whom conducted the mass choir.”

Kyle Hollis-Watts
2016 Fiji Mission
Miss Lauren Kenny & Mr Leighton Corr

Our Fiji Mission Team spent some of their holidays serving in Suva, Fiji. It was an extremely rewarding time spreading God’s word with others and helping in a number of different ways such as helping at the Kindergarten, running the afternoon “Kid’s Club” and speaking on a radio station. It was a pleasure to see our team grow, each day they stepped up and gave everything 100%. By the end of the trip the team felt more like family. One night, we attended a service at St. Luke’s Anglican Church which was extremely moving with a number of the team sharing their faith and standing up for Christ. We could go on as there were so many highlights and memorable moments, however, we thought it would be best for you to hear from one of the team.

Brooke Ellison’s reflection:

The Fiji mission trip was an amazing experience that I will never forget. Teaching classes at Holy Trinity Anglican School, bonding with the kids, running the Sunday school at Holy Trinity Cathedral and walking around the markets are some of my highlights. I especially loved running the kids club, particularly the discussion groups, where I became very close with a Year 6 Fijian girl, Kettia, who I still talk to. The trip has opened my eyes to see how generous and thoughtful kids are, even when they don’t have much. It has encouraged me to change the way I think and act and I am thankful to that staff, my parents and the College for the opportunity.
Education Perfect Mathematics Results
Mrs Jennifer Turnbull

Last term, a number of students entered the Education Perfect Maths Championships, testing their Maths skills, including algebra, numeracy, geometry and number. They gained points in answering questions.

Competitors from more than 900 schools answered more than 9 million questions in the 7 days of the competition. Australia was ranked as first in all the countries that participated. Arndell was ranked 126th globally (out of 921 schools), 21st overall in NSW and 10th in NSW for our category of school (501-1000 students).

Students who received awards were:
Gold Awards (top 2% globally): Joel Denning and William McGregor
Silver Award (top 5% globally): David Lavelle
Bronze Award (top 10% globally): Caleb Clark and Brianna Jamie

Well done to all the students who entered the competition and to their teachers for the fine tuition throughout the year.
Hawkesbury Eisteddfod
Mrs Carolyn McKenzie

Late last term many Arndell students performed in the Hawkesbury City Eisteddfod in a range of sections including Verse Speaking, Reading, Drama and Public Speaking, in ages ranging from 5yrs to adults. The results were outstanding with Arndell students winning 36 x 1st places, 29 x 2nd places, 34 x 3rd places and 16 x 4th places. Those who competed were –

Kindergarten
Declan Johnson, Hugo Isemonger, Joshua McNichol, Finn O’Connor.

Year 1
Liesel Hussey, Xavier Sefic, Katelyn Heyne, Josiah Refalo, Cameron Moore, Madilyn Hitchin.

Year 2
Rhiannon Watts, Aidan O’Connor, Lara Bradwell.

Year 3

Year 4

Year 5

Year 6
Alannah Vella, Bridget Agius, Madison Agius, Jacinta Palmhina, Joshua Hollis Watts, Caitlin Fraser, Erin Lawless, Sam Parry-Okeden, Todd Terheegde, Madison Mackintosh, Victoria Zahra, Courtney Evans, Isabelle Kurtz.

Senior students
Monique Wilson, Greer Johnson, Lizzie Pearse, Elizabeth Pearse, Olivia Vella, Kyle Hollis-Watts, Caitlyn Ridge, Jordan Johnson.

Alannah Vella (Yr 6) won the 11yrs Championship with Bridget Agius being placed 3rd and Jordan Johnson was awarded the 15 years and over Encouragement Award.

I would like to congratulate these students for their commendable standard of performance. This is a beneficial experience in which students gain confidence and skill as well as having an enjoyable time. Their behaviour and sportsmanship were a credit to the school.

Student Achievements

Congratulations to Ben Webb, Year 7 who was the State Winner in the National History Challenge for 2016. His entry has been deemed best in New South Wales in the Year Level 7 category. Congratulations on this outstanding achievement.

Congratulations to Tristan Ferris who entered the Young Artist in the Making competition and was awarded 2nd place in the 9yr age category for his coloured pencil drawing of “Wonka’s Chocolate Factory”.

Congratulations to Josephine Welling’s on her selection by the Southern Cross Cultural Exchange to participate in the student exchange program to Italy. We wish Josephine all the best with her exchange program.

Judging of the Rotary Club of Richmond’s - Senior High School Art awards, saw four Arndell Students entries awarded prizes. Congratulations goes to;

Erin Barnes and Faith Evans who received equal second place in the competition. Erin for her artwork “Mr Murphy’s Laboratory” and Faith entry for “Sunshine”.

Encouragement awards also went to Mischa Spring with “Cleopatra” and Emma Fitzgerald with “Chris”.

Indigenous Literacy Day
Mrs Kelly Smith

On the 7th of September Mary Zahn, Debbie Sharvell and I took a small group of Year 5 students into the city as part of the Indigenous Literacy Day celebrations. They had the opportunity to hear the stories written by indigenous students that have been made into a book which Debbie bought for the Junior School Library. The stories were read by the students who wrote them on the day. As you will see from the photos, they also had the opportunity to meet the Governor General, Andy Griffiths, Josh Pyke and Justine Clarke. It was an exciting day.

Lost Property – Senior School
Mrs Connie Stephens

ALL Secondary School clothing lost property is sent to the Mears Library, and all labelled items are immediately recorded on the Arndell Dashboard, for the notice of students and parents.

The Arndell Dashboard is the homepage on student laptops, and can be located by parents through a link in the top right hand corner of our external website.

ALL unlabelled clothing items (except blazers) are laundered and sent to our Uniform Shop for resale, so PLEASE Label EVERY UNIFORM ITEM you want returned to your child. Students are expected to check the Dashboard regularly to see if they have anything to collect.

Because of the volume, it is not possible to email students individually, and we do not keep items indefinitely, but to assist parents I have decided to trial placing a weekly Welfare System posting to students with labelled items to collect. There were 13 labelled and 21 unlabelled items sent to us in the first week of September. Please check the Dashboard soon to see if your child has a neutral welfare comment for lost property. If this is not possible, you can also ring me directly on 4545 2460.

OPAL Card Update
Mrs Fiona O'Rourke

For Year 2 students moving into Year 3 and Year 6 students moving into Year 7: An automatic reminder from OPAL will sent to your email address and updates will need to be completed and handed into Arndell’s Reception by the end of Term 4.

You will need to update your application if you have a current School Opal card and:

- Are progressing from Year 2 to Year 3
- Are progressing from Year 6 to Year 7
- Your circumstances change, eg. change of school, home address or school year outside of the usual progression.

How to apply
Step 1 - There are two different application forms – one to apply for a new School Opal Card and one to update your details, for example changing schools (other than moving from Years 2 to 3 or Years 6 to 7), your address or your name. Choose the one that applies to you.

Step 2
Print, sign and date the completed application and submit it to your school for endorsement. These are to be handed in to Arndell’s reception.

Step 3
Arndell sends the endorsed application to Transport for NSW. Once approved, the School Opal card will be sent to the home address you provided in the application.

Remember: Parents must apply for students aged 15 and under. Students must apply if aged 16 and over.

Parent Seminars

RAISING CHILDREN IN A HYPER-SEXUALIZED SOCIETY

Children are Facing REAL ISSUES. Parents need answers.

At a time where parents can feel overwhelmed and powerless to address issues such as social media, apps, sexting, and pornography there is a huge amount parents can do.

This parents night aims to address the intimate questions that parents have while empowering them to be an influential presence in their children's lives.

• How to parent your child through a sexually saturated society.
• The truth behind media, marketing and advertising and how it can affect young people.
• Sexting, apps, and the online world; the secrets parents need to know.
• Pornography; what you need to know as a parent.
• The effects of poor sexual decision making.
• Rites of passage; your sons and daughters journey to adulthood.
• The crucial role parents can play in giving their children a healthy understanding of sexuality and relationships.

Did You Know?
• The average age of a young persons first exposure to pornography is 11 years of age
• 1 in 5 young people struggle with an eating disorder
• 54% of students reported receiving a sexually explicit text message
• 26% reported sending a sexually explicit text message
• 74% of parents feel they are unaware of what their children are doing online

AMELIA’S JOURNEY

For those of you that have had the pleasure of knowing or sharing a friendship with Aimee and Warren, you would know how loving and dedicated they are to their daughter Amelia.

Amelia was born in March 2010 with Focal CORTical Dysplasia (type 2), a genetic condition that commonly causes intractable epilepsy. Amelia’s early life was tough with feeding and a lactose allergy complicated by seizures during feeding and sleep arousal. After months of tests at Randwick and Westmead Children’s Hospital, Amelia was initially diagnosed at 6 months with Left Frontal Focal EPILEPSY Despite years of EEG monitoring, tests, Ketogenic diet, multiple brain surgeries and numerous medications, Amelia continues to suffer from a number of seizures in her sleep every week.

Amelia’s seizures are resistant to medication (Intractable) and over the last year the seizures have increased in frequency and intensity. Because of the severity of her seizures and the risk of being without oxygen for too long she is at very high risk of SUDEP.

SUDEP is the sudden, unexpected death of someone with epilepsy who was otherwise healthy. No other cause of death is found when an autopsy is done. Each year, more than 1 out of 1000 people with epilepsy die from SUDEP.

Amelia as a result cannot afford to be unattended. Amelia is monitored 24/7 by her loving parents. The reality is that night time can be extremely stressful and sleep is routinely interrupted, even when Amelia has no seizures, the anxiety of the situation still weighs heavily on Aimee and Warren.

One of the solutions that has been recommended by her surgeon is to have a seizure response dog to assist Amelia and her parents. The surgeon believes it will offer incredible therapeutic enhancement. The seizure response dog will provide greater independence and companionship as well as offer emotional and psychological support for her ongoing development for Amelia and peace of mind for Aimee and Warren. The response dog will alert Amelia and her parents when an epileptic seizure is approaching. The cost associated with the seizure response dog is in excess of $25,000.

Many of Amelia’s friends and family have expressed their desire to help Amelia, Aimee and Warren and we wanted to give our amazing Glenwood Community and Forman Ave Family the opportunity to show this amazing family how much we all care for and support each other.

All money raised will go straight to the Pershouse family for Amelia’s seizure response dog.
