Dear Parents and Care Givers,

The Arndell College, Senior School Camp Program for 2016 maintains the organisation and ethos of the Arndell College Outdoor Education program.

A Whole School approach to camp will see all staff and students of the Senior Campus on camp at the same time. It is essential that you understand that for the duration of camp the Arndell College campus for the Senior School will be closed.

Senior School Camp will commence on Wednesday 21st September and conclude on Friday 23rd September for Years 7, 8, 10 & 12. Year 9 camp commences on Tuesday 20th September and concludes on Friday 23rd September. These dates are the last three days of term 3 and offer both students and staff a chance to rest at the completion of the camp program. These dates also provide an opportunity to make good use of this last week of term and offer an interesting and enjoyable start to the holiday break.

The integration of Year 11 as student leaders at each camp, aims to encourage senior students to mentor and develop lasting relationships with younger students. Year 11 students will be integrated into the Senior School Camp program through the existing House structure at Arndell College. Each camp will be led by one of the four Heads of House assisted by the senior students from their house.

Year 11 Camp Program 2016

Dear Parents & Care Givers

In keeping with the established Senior School Camp Program, Year 11 students will be integrated into the following camps.

Each Head of House will be coordinating a camp from Year 7-10. The Year 11 students will be assigned to the same camp as their Head of House and will be expected to take on leadership roles throughout the duration of the camp. Therefore, the Year 11 students will be divided as follows:

- **Tebbutt:** Year 7 Camp, Anglican Youthworks Port Hacking- Deer Park (3 day program)
- **Johnson:** Year 8 Camp, Anglican Youthworks Port Hacking – Rathane/Telford (3 day program)
- **Greenway:** Year 9 Camp, Somerset- Colo Valley (4 day Program)
- **Macquarie:** Year 10 Camp, Urban Challenge (3 day program)

The primary rational of this integration is to provide our senior students within the College an opportunity to put into practice the variety skills that they have been developing throughout the College Leadership program. Over the course of the camp, each student’s potential leadership skills will be evaluated. This information will assist in the creation of a shortlist of College Student Leaders, of whose appointment will be discussed at a later stage by the Heads of House and members of the Executive.

Whilst at camp, the Year 11 students will be allocated a group to help supervise and will be expected to participate in all camp activities, providing encouragement and support to the younger students where it is needed. A more detailed and specific list of camp duties and responsibilities will be given to the Year 11 students over the course of the term.

If you have any concerns with what has been outlined in this letter or require further information, please feel free to contact Mr Michael Refalo, the Camp Coordinator or Mr James Webb at the College on 4572 3633. Alternatively, further camp information may be found on the Parent Portal in the coming weeks.

Kind regards,

Mr Michael Refalo
Camp Co-ordinator

Mr James Webb
